RULES FOR POOLS - RULES FOR OLDER POOLS

From **17 December 2006**, all owners of pools and spas installed before 1 July 1992 will be required to upgrade their pool or spa barrier to ensure it complies with the post 1 July 1992 standard for pool barriers.

If the property is sold before **17 December 2006**, the new owner will be required to upgrade the swimming pool barrier to meet these requirements within **three months** of the date of settlement. If your pool was installed after 1 July 1992, your barrier should already comply with these requirements.

If you would like any further information regarding these requirements please contact the office to receive a brochure. **Let's work together to reduce the risk of drownings in our community.**
