## **BORGWARD, Timothy**

Along with my Wife, Taryn, we have run Pingrup Traders for some 13 plus years. We currently have two kids, Myles and Darci, attending the local Pingrup Primary School and Jordan is away at school in Perth. I believe that attractions such as the Silo Artwork in Pingrup, the Store Cafe and the Nyabing Hub plus the improvements to the Caravan Parks in both towns will see increased opportunities for Tourism and Business in the Shire of Kent. Having already served one term on Council and been a part of some of these developments, I would like to serve a second term and see the continuation of these exciting times. I have found Council challenging and rewarding at times but believe I am now a lot more experienced to continue my role as a Councillor in the Shire of Kent.
