## GRAY, Darren

I grew up on my parents farm in the Kuringup area 28km east of Nyabing. After leaving school I went away to Perth to study for several years. Also in that time in Perth I worked for a construction company on the road repair team. I moved back home to work on the family farm for awhile. I then worked as a truck driver / gardener for the Shire of Kent.

In 2007 my parents and I bought the Nyabing General Store and Post Office in which I managed and ran for 13 years.

I currently drive a school bus for the local Nyabing Primary School student daily pick up.

I am a member of the Nyabing Fire Brigade and hold the position of Lieutenant.

I'm a keen photographer, cake baker and cake decorator.
