JOHNSTON, Kate

Hello, My name is Kate Johnston and I have lived in the Shire of Kent for 16 years. My family are local farmers in the Nyabing area. I have 2 sons, who right now wish to be farmers in their future. I feel we owe it to them and every other child in the Shire of Kent to make sure our towns are sustainable for the the future lives they and their families wish to live. The towns in the our Shire are still vibrant, well serviced and great places to live and I for one would like to see this continue into the future.
