Dear Adam & Councillors,

On Friday, 11<sup>th</sup> March Ruth McGill & Marilyn Gray met with the Shire of Kent C.E.O. regarding the future of the Nyabing Community Church building & 2 adjacent blocks. Adam asked that the Committee write an official letter to the Shire councillors with our request, to be read at the next Shire Council meeting.

The Church Committee requests that the Shire of Kent consider taking on the future ongoing care, maintenance & preservation of these properties.

Information that we trust may help in your decision:

1. The existing committee is few-in-number & aging.
2. The building is not being used for Church services.
3. The committee has possession of the Certificate of Title for each of the 3 blocks.
4. The building was re-roofed in 2015 & painted outside in 2018.
5. Annual ongoing costs would be approximately \$1,000, that being for Insurance & water.

A State Government grant will cover power costs for approximately the next 5-6 years.

We thank you for your time in reading & considering our request.

Members of the N.C.C. Committee are willing to meet with the Shire to discuss any further considerations.

Yours sincerely,
