C.E.O. & Councillors,  
Shire of Kent,  
Nyabing, W.A. 6341

Dear Adam & Councillors,

Further to conversations & correspondence with Adam over the past 3 months, the Nyabing Community Church Committee met today to discuss & confirm our intention to hand over responsibilities for the future care and maintenance of the Church building to the Shire of Kent. We are in unanimous agreement with this proposal.

Also, we are willing to donate the freehold title lots on either side of the Church building for the Shire to own & use as it sees fit.

We would be grateful if Council could further consider our desire & intention for this public building. If further information is required by Council the Committee is willing to meet for discussion.

Yours sincerely,

Marilyn Gray,  
Secretary/Treasurer N.C.C. Committee
