

# NYABING & PINGRUP REFUSE SITES

Recently, there has been some changes at both the Nyabing and Pingrup Refuse Sites. Please be aware that both sites are monitored via CCTV and if seen illegal dumping, fines will apply.

Council is working hard to maintain the life of refuse sites and your co-operation is greatly appreciated. Some important things to note:

## PINGRUP

- The tip area has now been closed and will be filled and rehabilitated.
- All household waste is to be directed to the skip bin in the transfer station shed.
- There is a second skip bin for metals.
- The green waste area is behind the transfer station shed.
- There is an allocated area for disposing of whitegoods behind the transfer station shed.

**Pingrup Transfer Station**  
Refuse Site Access token required (Residents Only)  
**7am - 7pm**

<input checked="" type="checkbox"/> Asbestos	<input checked="" type="checkbox"/> Metals	<input checked="" type="checkbox"/> White Goods
<input checked="" type="checkbox"/> Chemicals	<input checked="" type="checkbox"/> Oil	<input checked="" type="checkbox"/> Fencing Wire
<input checked="" type="checkbox"/> Drum MUSTER	<input checked="" type="checkbox"/> Rubble (clean)	<input checked="" type="checkbox"/> Cars
<input checked="" type="checkbox"/> Green Waste	<input checked="" type="checkbox"/> Stock	
<input checked="" type="checkbox"/> Household	<input checked="" type="checkbox"/> Tyres	

**Fines Apply For ILLEGAL DUMPING**

**Fines Apply For ILLEGAL DUMPING**

Shire Office (08) 9829 1051      Works Manager 0429 993 987  
**Emergency 000**

## BOTH SITES

- DrumMuster facilities are available by appointment
- Oil waste facilities are available - PLEASE NOTE - EMPTY DRUMS AND TAKE WITH YOU, if drums are left behind this is considered illegal dumping and fines will apply.
- When placing Green (garden) Waste in refuse sites please ensure not to include any plastics, this creates noxious fumes when there is a burn off.
- Metals should be free of contaminants such as plastic, rubber, timber, concrete etc.
