Nominating for	Councillor for Shire of Kent
Election Type	Ordinary
Enrolment status	REID, Suma is eligible to stand for election as a resident of the Shire of Kent.

I have been a resident of the Shire of Kent since 2011. I own a transport business which operates out of the Pingrup area. I grew up in a small town in Central Victoria and after completing my high schooling in Bendigo, I obtained a Bachelor of Applied Science – Agriculture from the University of Melbourne (Dookie Campus).

During my working life I have been exposed to many business structures and locations, from corporate business in Shepparton, Victoria, to agricultural work in Ongerup, Western Australia.

I am enthusiastic of rural life and the opportunities that come with living and working regionally. I work with my husband, and we have two primary school aged children, and I cannot think of a better place to be part of a community than the Shire of Kent.

I am an open listener, and I value honesty, fairness and integrity above all else. I love collaborating with people to action positive outcomes.
