Subject: Request for comment - Proposed LAA s48 Licence over Reserve 25267 Lot 9082 on DP165879, Nyabing Shire of Kent

Case 2302383 / File 00149-1958

Dear Shire,

PROPOSED LAA s48 LICENCE OVER UNMANAGED RESERVE 25267 LOT 9082 ON DP 165879 – NYABING - SHIRE OF KENT

The Department of Planning, Land and Heritage is considering a proposal to grant a 7-month (approximate) LAA section 48 non-exclusive licence over a portion of unmanaged Reserve 25267 Lot 9082 on DP 165879 to Main Roads WA for a temporary laydown facility associated with the resealing of the Kojonup-Pingrup Road.

Reserve 25267 is set aside for the purpose of ‘Gravel’ and is without management order.

Please find attached a tenure/aerial map of the area with the subject land parcel bordered red.

By way of background the Department has requested that Main Roads WA commence obtaining any relevant approvals from the Department of Biodiversity, Conservation and Attractions (DBCA) given Threatened and Priority flora and fauna is identified on a portion of the site. Main Roads WA have confirmed that no clearing is proposed as part of the laydown facility.

It would be appreciated if you could provide comments or objections regarding the proposal as a priority as timeframes are shorter than usual for this case.

If you have any questions or require additional information, please do not hesitate to call me.

Kind regards,

Melanie Young
