INTEREST ON OVERDUE SUNDRY DEBTS FOR 2026/27

Pursuant to section 6.13(1) of the Local Government Act 1995, an interest rate of 7% per annum be applied to sundry debts that remain unpaid after 60 days from date of debt issuance.

Purpose
To consider and adopt the Municipal Fund Budget for the 2026/2027 financial year together with supporting schedules, including imposition of rates and minimum payments, adoption of fees and charges, reserve fund transactions, setting of elected members fees for the year and other consequential matters arising from the budget papers.

Background
The draft 2026/27 budget has been formed with regard to the Strategic Community Plan 2023-2033 and Corporate Business Plan (CBP) 2025-2029. The 2026/27 Draft Budget has been prepared in accordance with the presentation made to councillors at the budget workshop held on 10 June 2026.

Comment
The budget has been prepared to include information required by the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and Australian Accounting Standards. The main features of the draft budget include:

Rates 2026/27
Landgate has completed the rural assessments (unimproved value (UV)) for all properties in the Shire of Kent as at the Date of Valuation, 1 August 2025. These valuations became effective on 30 June 2026.

- Total Valuation: $731,386,930
- Average Overall Change: 19.67%

The analysis of sales at and around the date of valuation supports an increase in Unimproved Values for broadacre agricultural properties. The evidence for smaller properties generally supports similar increases in Unimproved Values compared to broadacre farming properties.

Some variations to individual assessments may have occurred either as a product of the valuation process and/or inclusion of updated information.

These revaluations have been used to form the 2026/27 budget, which sees a rate increase of 3.0% on the previous year's yield.

Significant operational expenditure 2026/27
GENERAL PURPOSE FUNDING – $150K administrative costs pertaining to rating and general business.

GOVERNANCE – $858K includes expenses pertaining to elected member, local election, auditor, legal advice and professional services, and IT expenses and council memberships/licenses.

TRANSPORT – $3.78M in the maintenance of roads systems, drainage, signage and footpaths, including a contingency for high fuel costs and contract grading staff.

ECONOMIC SERVICE – $1.35M investment. Key elements include a contribution to the Bloom Festival, community planning and consultation, tourism services, townscape improvements, maintenance of standpipes and building surveyor services. Also included is expenditure associated with the Nyabing Progress Association self supporting loan, although it should be noted that this expense is offset with corresponding revenue resulting in a nil effect to the budget.

OTHER PROPERTY AND SERVICES - $80K of which key elements include implementation of fleet GPS tracking, risk assessment, work, health and safety, worker's compensation insurance, employee assistance program, fuel and plant repairs.

Capital Expenditure 2026/27

Other Key Information
LOANS – This budget includes new borrowings in the form of a self supporting loan for the Nyabing Progress Association. The nature of self supporting loans results in a nil effect to the budget.

RESERVES – A increase of $766K in Shire reserves at 30 June 2027 is anticipated.

ASSET SALES – Total asset sales are budgeted at $233K, with profit of $17.5K.

CARRY FORWARD SURPLUS – An estimated surplus of $4,504,490 is anticipated to be brought forward from 30 June 2026. It should be noted that this surplus is unaudited and may change. Any change will be addressed as part of a future budget review. Factors contributing to high surplus are early 26/27 Financial Assistance Grants of $2.25M, capital programs carried forward to the 26/27 budget (including 15 Aspendale housing, capital maintenance of 2/3 Gaby), unused contract and maintenance contingencies, and wages/employee cost savings due to vacant positions. In addition, unused townscape and urban regeneration contingencies.

SUNDRY DEBTOR INTEREST – this budget includes an interest charge of 7% to sundry debts that remain unpaid after 60 days from date of debt issuance.

The draft budget has been developed with extensive consultation between executive staff and business units, and with elected members at an intensive budget workshop in June. The budget is also driven by the Shire's CBP which was developed through community consultation and engagement.

Statutory Implications
Section 6.2 of the *Local Government Act 1995* requires that no later than 31 August in each financial year, or such extended time as the Minister allows, each local government is to prepare and adopt, (Absolute Majority required) in the form and manner prescribed, a budget for its municipal fund for the financial year ending on the next following 30 June.

Divisions 5 and 6 of Part 6 of the *Local Government Act 1995* refer to the setting of budgets and raising of rates and charges. The *Local Government (Financial Management) Regulations 1996* details the form and content of the budget. The draft 2026/27 budget as presented is considered to meet statutory requirements.

Section 67 of the *Waste Avoidance and Resource Recovery Act 2007* enables a local government to impose an annual charge in respect of premises provided with a waste service by the local government.

Section 7B(2) of the *Salaries and Allowances Act 1975* requires the Tribunal, at intervals of not more than 12 months, to inquire into and determine –

- the amount of fees to be paid to Council members;
- the amount of expenses to be reimbursed to Council members;
- the amount of allowances to be paid to Council members.

The *Determination on Local Government Chief Executive Officer and Elected Members* requires local governments to set an amount within the relevant range determined for fees, expenses or allowances.

Section 5.98 of the *Local Government Act 1995* sets out fees, expenses and reimbursements etc payable to council members as determined by the Tribunal.

Section 5.98A of the *Local Government Act 1995* sets out fees, allowances etc. which may be paid to deputy presidents up to a percentage determined by the Tribunal (Absolute Majority required).

Section 5.99 of the *Local Government Act 1995* provides a local government may pay an annual fee in lieu of fees for attending meetings, as determined by the Tribunal (Absolute Majority required).

Section 5.99A of the *Local Government Act 1995* sets out a local government may pay an annual allowance for council members in lieu of reimbursements of expenses, as determined by the Tribunal (Absolute Majority required).

Regulations 30, 31, 32 and 34ACA of the *Local Government (Administration) Regulations 1996* set the limits, parameters and types of allowances that can be paid to Council members.

Policy Implications
The budget is based on the principles contained in the Strategic Community Plan. There is no policy on discount on rates, this is determined annually throughout the budget process. Council policy relates to recovery of rates and services charges (policy 3.1.5).

Financial Implications
The setting of the Shire's Annual Budget is a key decision made by Council on an annual basis. It is imperative that all Councillors fully understand the Budget and recognise the implications of decisions that have been made regarding resource allocation for the following 12 months as a result of the adoption of the Budget.

Strategic Implications
The Shire of Kent Strategic Community Plan identifies several key objectives and strategies based upon a sustainable future. The 2026/27 Budget as presented is in keeping with Council's Strategic direction.

10.2 Agreement to Use Nyabing Kart Track – Great Southern Street Machine Association

Author:	David Bentley, Deputy Chief Executive Officer
Location:	N/A
File No:	LEG.66
Voting Requirements:	Simple Majority - More than half of Elected Members present required to vote in favour
Attachments:	10.2 Attachment 1 – Nyabing Kart Track Hire Agreement

OFFICER RECOMMENDATION
That Council

1. **endorses the Nyabing Kart Track Hire Agreement for the Nyabing Kart Track as provided at Attachment 1 for the purpose of hosting the Nyabing Drift and Motorkhana by Great Southern Street Machine Association; and**

2. **authorises the Chief Executive Officer to execute the agreement pursuant to section 9.49A(4) of the *Local Government Act 1995*.**

Purpose
To seek Council endorsement of a Nyabing Kart Track Hire Agreement for the Nyabing Drift and Motorkhana event being held on Saturday 8 August 2026 and Sunday 9 August 2026.

Background
A request to hire the Nyabing Kart Track was received from Great Southern Street Machine Association (GSSMA) for the purpose of hosting the Nyabing Drift and Motorkhana.

The event will be a two day (weekend) event based on “grass roots” entry level activities of Drifting and Motorkhana. All events held by GSSMA are sanctioned by their affiliated body being the Australian Auto Sport Alliance which provides both the governing rules and regulations and insurance for affiliated clubs.

Due to the event’s scheduled date needing to be finalised for applications and compliance, the Chief Executive Officer and Shire President jointly signed the Nyabing Kart Track Hire Agreement to avoid delay and ensure the event could proceed as planned.

Comment
GSSMA have hosted this motorsport event at the Nyabing Kart Track at this location in 2022, 2023, 2024 and 2025.

As per the previous events it is best practice to enter into an agreement in order to remove any risk associated with the proposed event from both the Shire and the State.

The Kart Track is situated on reserved land being Reserve 39189 with an approved purpose of “Recreation – Go Kart Racing”. While the reserve purpose specifically refers to "Go Kart Racing", a proposal as presented is not necessarily "Go Kart" related, however the view is that the proposal does not drastically deviate from the established Reserve purpose as it is still motor based activities.
